Beech Grove City Schools Script for Petition Process

Hello, this is _____.-

On May 5th, we have an opportunity to make an investment in the future of our community. By signing our petition, we can place the School Safety and Enhanced Facility Referendum question on the May ballot for our community to consider.

Please note that you must be a **registered voter** or **property owner** in Beech Grove City Schools district to sign the petition.

If approved on May 5th, funding will be used for:

Construction of an Early Childhood Center

Renovations and upgrades to Hornet Park Elementary

Improvements to the kitchen at the Middle School

Building a Greenhouse

Upgraded Athletic High School Fields to include an 8 lane track, football/soccer/band, new softball, and concession stand

Ensure the financial stability and future of our Beech Grove Schools

The second question in the referendum is to enhance teacher and classified staff base salaries, and hire three new counselors, and three new Beech Grove Police School Resource Officers.

If you would like to help determine the future of Beech Grove by signing the petition, please feel to stop by any of our school buildings or the Administration Center located near the school entrance off of Churchman Avenue.

Thank you for making Beech Grove your home and for helping to make a difference for our Beech Grove community!

“Building a Culture of Excellence”
