Consent Form for Formal Classroom Instruction on Human Sexuality and Formative Study

Human Sexuality Instruction: I Decide For Me™ is a Sexual Risk Avoidance Curriculum published by Clarity of Central Indiana. It is age-appropriate, medically accurate, and evidence based empowering students with facts and data while emphasizing that every student has value. IDFM™ uses a holistic approach to help students plan for a healthy future and avoid risky behaviors as identified by the CDC. It includes teachings on healthy and unhealthy relationships, consent as a protective factor, abstinence until marriage as the healthiest lifestyle choice, and a video on fertilization and fetal development. IDFM™ complements Indiana State Standards for Health and the requirements of Senate Enrolled Act No. 442. IDFM™ will be taught by a female instructor. Classes will be taught to male and female students in a unified setting.

IDFM™ has made available detailed information regarding the IDFM™ curriculum which may be reviewed at: https://idecideforme.com/

*Parent(s), or an adult or emancipated minor student, have the right to review and inspect all materials related to the instruction on human sexuality.

Formative Study and Evaluation: Entry and exit surveys are administered by the classroom teacher before the start of and following the conclusion of the IDFM™ curriculum presentation. Surveys are not identifiable as each student will use a book number for the purpose of linking entry and exit survey responses. Book numbers will not be recorded or associated with a student's personal or identifiable information.
The purpose of the survey is twofold: Clarity's IDFM delivery is supported by an SRAE Federal Grant (HHS-2023-ACF-ACYF-SR-0035) which has a portion of required questions. The additional questions serve Clarity's formative study that tracks student intent and behavior regarding sexual activity and delayed debut. All survey results are entered into a software program that matches entry and exit results. Please see www.IDecideForMe.com to preview survey questions. If you'd like further information, contact Cheryl LaBelle, Director of Education, at Cheryl.labelle@claritycares.org.
